

# The Vision of Humble ISD

## 2001 – 2010

### **Superordinate Goals**

Humble ISD will be guided by a common vision and set of beliefs that are clearly understood, widely supported, and regularly updated.

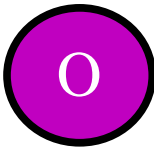

### **Culture**

The Humble ISD community will be collaborative, flexible, and inclusive, working together for the benefit of children.

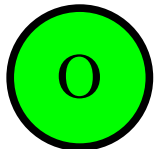

### **Human Resources**

Every employee in Humble ISD will be an educator, accountable for student learning and reinforcing appropriate behavior.

### **Operations**

Humble ISD will operate on a continuous improvement basis.

### **Organization**

Humble ISD will demonstrate an organizational philosophy that emphasizes the campus as the primary point for delivery of services and site decision making as an essential strategy.

### **Learning**

**Instruction and learning will be personalized for every Humble ISD student.**

### **Strategy**

Humble ISD will be characterized by accountability at all levels with data-driven decision making, supported in all areas by technology.
